The Kaliningrad enclave
Russia is considering
deploying nuclear missiles

This map shows Eastern Europe and Russia. Russia is colored red and occupies the right half of the image. To its west are Estonia, Latvia, and Lithuania, colored blue. Further west is Poland, also blue. To the south of Poland is Ukraine, colored light green. Further south is Romania, colored dark blue. The Black Sea is at the bottom. Icons of blue tanks are placed in Estonia, Latvia, Lithuania, and Poland. Icons of red tanks are placed in Russia. A red star marks Moscow in Russia. A red hatched area in the Black Sea represents Crimea. Callout boxes provide specific information about missile shields in Poland and Romania, and nuclear missile deployment in the Kaliningrad enclave. A red line points from the Crimea callout to the hatched area.
